Subject: RE: AltEn product proposal

Hi Angela,

I'm hoping to resubmit this product today, or early tomorrow morning.

Ex. 5 Deliberative Process (DP)

Thanks,
Amanda

Hi Angela,

Ex. 5 Deliberative Process (DP)

I would greatly appreciate any other comments/edits you might have on the changes I've made so far.

I need to add a sentence or two highlighting why this is an important case study, but wanted to go ahead and send your way to give you time to look it over.

Thanks,
